The Maintenance Contractor was impressed with the prompt and professional service, and have continued to use Decrolux for the supply of lighting in the Spotless Stadium grandstand refurbishment.

The Maintenance Contractor approached Decrolux, needing a suitable product within a very short time frame of 12 days. Decrolux recommended the F8.22 Downlight, because it was a flush fitting, had a waterproof rating to IP65. Decrolux was able to arrange with manufacture and airfreight delivery, without disrupting the project schedule.
