

ASTON 22W

Linear Pendant 845mm

Classic Series

Proven. Quality. Customisable

ASTON's 22W 845mm Linear Pendant features a modern, sleek style that is perfect for commercial architecture. Thanks to its thin profile, this style is available in surface-mounted, suspended and recessed, making it one of the most versatile commercial lights on the market right now.

ASTON LED linear profile lights can be used in a variety of different environments and situations, with their architectural design and flexibility that allows them to blend into the environment. Some of the most common applications for these stunning lights include offices, universities and colleges, and retail stores.

They are available in black and white variants to allow them to blend seamlessly into the surrounding environment while providing bright, soft lighting.

IP44
