

# ASTON 22W

## Linear Wall Light

**Classic Series**

Proven. Quality. Customisable

The ASTON 22W Linear Wall Light boasts a modern and sleek design, making it an ideal lighting solution for commercial architecture. Its thin profile allows it to blend effortlessly into any environment while still providing a remarkable light output. Constructed with 1.0mm anodised aluminium housing and an opal acrylic diffuser, it offers durability and longevity. The diffuser minimises glare, creating a comfortable environment. This lighting solution is perfect for commercial architecture projects that require a stylish, modern, and efficient lighting solution.
