

# ASTON 30W

## Linear Recessed 1125mm

**Classic Series**

Proven. Quality. Customisable

The ASTON Linear Series are a sleek, modern style perfect for commercial architecture. Depending on the height and type of ceiling, you can choose to either surface mount or suspend the linear profiles. A third, slightly less common mounting method, is to recess the lights directly into the ceiling.

The ASTON 30W Linear Recessed Profile is used for modern areas to achieve a minimal appearance. Smooth lines give a subtle, crisp look.
