

# ASTON 33W

## Linear Wall Light

**Classic Series**

Proven. Quality. Customisable

The ASTON 33W Linear Wall Light is a stylish and modern lighting option, perfect for commercial or architectural settings. The light's slim profile and 33W output make it a great choice for illuminating large areas and wall spaces, while the anodised aluminium housing and opal acrylic diffuser with a matt powdercoat finish provide durability and a sleek aesthetic. The diffuser softens the light and reduces glare, making for a more comfortable lighting experience.
