

BURNET 30W Cleanroom

Panel Light, IP54, 1237x337

Classic Series

Proven. Quality. Customisable

BURNET 30W Cleanroom 1200x300 Panel Light, IP54 is Cleanroom Luminaire for Hygienic environments. The BURNET Cleanroom Panel Light is named after Mr Frank Burnet, an Australian virologist best known for his contributions to immunology.

2-sides edge-lit, less heat dissipation, longer lifespan. 100% PMMA Light Guide Plate, to avoid yellowing over time. Flicker-Free Driver. Bevel Edge Design, to eliminate dust build-up.

Surface mount design to maintain the cleanroom integrity (cannot be recessed). 12mm depth. For an easy install, make a 90mm cutout in the ceiling, to recess the LED driver in the ceiling cavity.

IP54
