

BURNET 30W Cleanroom

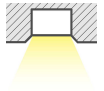

Panel Light, IP54, 632x632mm

Classic Series

Proven. Quality. Customisable

The BURNET 30W Cleanroom Panel Light is specifically designed for clean-room environments and other hygienic places. A recessed IP65 LED cleanroom luminaire with opal acrylic diffuser provides an ideal solution for pharmaceutical, medical, and other sterile areas. The frame is fitted into the body with four stainless steel screws to provide reliable ingress protection.

The BURNET Cleanroom Panel Light is named after Mr Frank Burnet, An Australian virologist best known for his contributions to immunology.
