

MONARC 10W

Diffused SMD Downlight

The MONARC 10W downlight is dimmable, constructed with a thermal heatsink to ensure the downlight disperses any heat keeping it cool to touch. Used by builders, developers and a favourite with electricians. The MONARC Downlight is a cost effective wide beam downlight built to withstand years of use. Perfect for all purpose use in any home or commercial, including retrofits.

The MONARC is available in Cool White.
