

NEO-G Micro 3W

IP67 Ground Light with Single Emission Cover Plate

The NEO-G Micro 3W LED Ground Lights are marine grade quality, covered with a five year warranty. Capable of being completely submerged, these lights are great for pools, driveways, ponds and decks. Can be installed in concrete or gravel. 8mm tempered glass lens supports 1000kg drive over, manufactured with high quality anodised aluminium outer casing. These LED recessed fittings have a stainless steel (316L) front face protecting them from water including salt water and general corrosion.

IP67
