

# RHYNE 24W

## Industrial Floodlight

**Classic Series**

Proven. Quality. Customisable

The 24W RHYNE LED Floodlight is a stylish slimline design, giving a wide beam spread for an even light coverage. Tempered glass with a hard-wearing, anti-corrosion finish.

Security lighting is becoming increasingly important. LED flood lights are now producing more light than ever for the illumination of domestic and commercial outdoor spaces. Huge savings can be made on power consumption over the life of the fitting. Seven year replacement warranty. Removing the plug does not affect the warranty.

**IP66**
