

RONAN 20W

Exterior Wall Light

dynamic series

Efficient. Cutting Edge. Reliable

The RONAN 20W outdoor slim wall light is a durable option for upgrading traditional Slim Wall Pack light fixtures. Made with aluminium triangle extrusion and polycarbonate with a black powder coat, the light is weather-resistant and long-lasting. This light is easy to install and requires minimal maintenance, while its low profile design makes it ideal for outdoor spaces that require lighting without being too obtrusive, and its asymmetric optic makes it dark sky friendly.

SPECIFICATIONS

Material Specifications

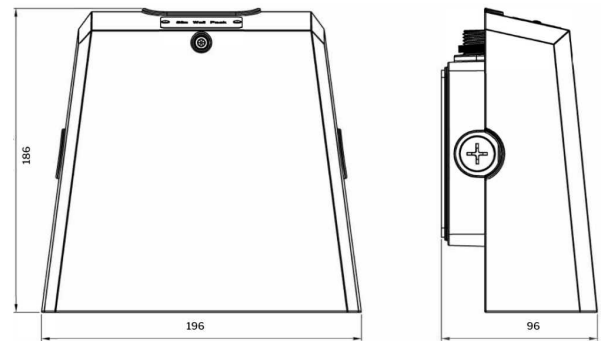

Material	Die-Cast Aluminium, Polycarbonate
Colour	Black Powdercoat
Dimensions	196mm (L) x 96mm (D) x 186mm (H)
Ingress Protection	IP66
Impact Rating	IK08
Warranty	5 Year Replacement
Options	PE Cell (special orders)

Electrical Specifications

Power Supply	Integral
Operating Temperature (Ta)	-30°C to +45°C
Input Voltage	240V
Connection Method	Hard Wiring, Large Internal Cavity

Optic Specifications

Light Source	Osram LED 2835, Linear PCB
Optics	T3
Delivered Lumens	2500lm
Efficacy	125lm/w
CRI	> 80Ra
Colour Deviation	SDCM ≤ 3
Reported L70 (Hours)	> 54,000 Hrs
