

RYLAND 105W

Circular Pendant 1600mm

The RYLAND 1600mm Circular Pendant combines timeless character with the latest LED technology. It is a suspended luminaire inspired by subtle architecture where a ring of extruded aluminium takes a different visual guise depending on the selected colour; black or white. Powered via the suspension wires from the driver at the ceiling cup, the RYLAND has optics that effectively distribute a balanced light with an inviting colour temperature.

IP44

Classic Series

Proven. Quality. Customisable

SPECIFICATIONS
