

VERTEX MK-II 230W

Sports Floodlight

Classic Series

Proven. Quality. Customisable

The VERTEX MK-II Sports 230W Floodlight is a durable and versatile lighting option suitable for high-output situation. Its built-in surge protection and weatherproof rating of IP66 make it a reliable option for sports fields as well as tennis and netball courts. With three sports optics available, users can customise light distribution to optimise for various sports activities. The die-cast aluminium housing with AkzoNobel powder coat finish ensures protection against environmental factors, making it a durable choice for outdoor use.
